# IBRAHIM KHALIL GANIM

NOV 6, 1939 - MAR 12, 2022

**I**brahim Khalil Ganim, 82, was born on November 6, 1939, in Ramallah, Palestine. He passed away on March 12, 2022 in Miami, Florida surrounded by his family.

He was a loving man and had a thirst for knowledge, traveling the world, poetry and spending time outdoors. He was accepted into Princeton University, but chose a different path and decided to study law at Cairo University where he met his wife, Laura. They lived a great life together raising their 3 children, Dahlia, Nader and Christina between the US and Palestine. He later established his own real estate company in Palestine.

He had a deep love for his homeland and was always so happy to be in Ramallah surrounded by the figs, olives, grapes, pomegranates and almonds his father planted long ago. He was adventurous, ambitious, and always chased his dreams. He taught his children to do the same, see the world with open eyes, to be proud of their history and to love all people.

He was a kind, compassionate man who brought joy to all those he interacted with. Anyone who knew him was always touched by his humor, kindness, laughter and joy for life. He loved spending time with his wife, children and grandchildren. His strength is heroic and he will be our guiding light, protecting us from above. May his memory be eternal and may he Rest in eternal Peace.

Here is a quote by one of his favorite authors, Gibran Khalil Gibran:

“When you are joyous, look deep into your heart and you shall find it is only that which has given you sorrow that is giving you joy. When you are sorrowful, look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.”

You are always our delight, we love you Baba!

A viewing will take place on Monday, March 21, 2022 at 11AM, followed by a funeral service at 12PM at St. George Antiochian Orthodox Cathedral at 320 Palermo Ave, Coral Gables, Florida,

I feel blessed to have spent so much time with Abu Nader, who was like a second father to me. His smile could truly light up a room, and we shared so many laughs together. I will cherish all of the memories I have with him, like enjoying Ramallah's restaurants, spending relaxing days at beach with his family, getting ice cream from Rukab, and lighting candles together for Sabt il Noor. He loved his family so much, and was such a strong and supportive father. I can clearly see the impact he has left on my best friend, his daughter Tina, who shares his strength and his lust for life. I will miss him so much, but feel comfort knowing his spirit will live on through his wonderful family, and we will have our memories of him forever. May he rest in peace.

Thank you that was beautiful Nicola. I know he loved you and was always laughing and happy when you were around. I am so glad you got to enjoy so many precious moments together. All the times we had together were pure joy. You are a sister and will always be family. We will forever miss him and I know he is in resting in eternal peace. Love

I remember that he was always laughing and smiling. He had a hearty laugh, that was true and made you laugh with him. All of our family loved him dearly. He is now joined his beloved family who is waiting on all of us. We will see him again. May the Lord hold you all and His palms during this difficult time and give you peace and comfort only He can provide. God is our refuge and strength. Wishing you peace to bring you comfort, courage to face the days ahead and loving memories to forever hold in your hearts.
