Henderson A. Pate

OCT 30, 1931 - MAR 24, 2022

Today is a celebration for Henderson Alton Pate better known as "HAP." He has gone to be with his Savior and Lord Jesus Christ. Hap loved his Lord and served him well during his life. As a Gideon, church deacon and devoted father he shared that love to everyone he encountered. Hap had a deep affection for his loving wife Nancy, his children, grandchildren, great grandchildren and the rest of his extensive family. His family, friends, neighbors, and the University of Miami were his greatest passions. Hap's many accomplishments are too numerous to truly mention in detail. Hap was a humble man who carried himself with dignity and class. He would want everyone to know that he appreciated the love he was shown by all the people he met along his life's journey. Rest in peace and in the arms of your Lord HAP. We love you.
