My deepest sympathies and condolences go out to family, friends, and loved ones. Even though I was never graced with meeting Julie in person, I feel as though I know her from so many wonderful things that have been said about her. I know that the celebration of Julie's life will be ongoing for many years to come. Julie faced many trials and tribulations throughout her lifetime. Her family's care and assistance was unabated despite any hurdles and adversities. Julie was a survivor and should be an inspiration for many. You are all in my thoughts and prayers. May G-d grant you some peace and serenity in your time of grief. Rest in Peace Julie. We know you are with HaShem and may you dwell in the house of the Lord forever. You will be missed by so many.love,Gayle Coulton
