Tom and family. Connie was the epitome of professionalism and quiet dignity. When I was a young mother dealing with 3 small boys she gave me wonderful advice and told me her sons were the light of her life. Whenever she spoke about her boys her face became illuminated. You were so lucky to have someone who loved you so much. Now you have a very special angel watching over you. Terri Shenton-Lehman

Dearest Tom and family, two Queens were lost yesterday, the Queen of England, and the Queen of the Muir family. Connie was royalty. Her grace and kindness will be missed. The only saving grace is she will be with her Son. Tom, you were a devoted husband. Every Queen has her King. God bless you all. Myles And Loretta

We are so happy we had the opportunity to meet and get to know Connie over these past few years. Connie was charming and demure, soft-spoken and quick with a smile yet she radiated an inner strength. We will certainly miss her but believe she was greeted by her son when she crossed the rainbow.
