I was 15 years old in 1985, when I received my first book from La Ferrière sur Risle, Editions Christian Godefroy (E.C.H.G.). Christian, you opened my eyes on the fascinating world of personal development. Your books gave a new dimension to my life. From my little village in the center of Brittany, I could feel the world. Your influence brought me the indefectible belief that nothing is impossible until you decide so. Your life came to an end in Miami, the city where I have been living for the past 16 years. I never had the chance to meet you, even though I always felt I had a connection with you. You were our French Tony Robbins and so much more! Thank you. HC
