JENNIFER ROBINSON

OCT 21, 1968 - MAY 6, 2024

In loving memory of Jennifer Shelley Robinson, born on October 21 st , 1968 in Coral Gables, Florida. She passed away on May 6 th , 2024 peacefully, surrounded by her loved ones. Jennifer graduated from Palmetto High school in Miami in 1986 and went on to earn both her undergraduate and graduate degrees at the University of Miami. She was a life long Hurricanes fan. Jennifer married the love of her life, Micheal T. Robinson, and together they had two wonderful daughters, who were the lights of her life, Shelley Ann and Madelyn Marie. Jennifer had a long and successful career in health care auditing and human resource management, and loved her work. She was the most kind and caring soul, who loved people which made her work and personal life very easy for her. She always had a smile on her beautiful face and would make the best of every situation. Her warm and caring personality touched the lives of so many people. She always seemed to make connections with people everywhere she went, which is a testament to her character as people are what meant the most to her in life. Jen's greatest love in her life was her family. She shared countless stories about growing up with her brother and cousins, spending time with her parents, grandparents, aunts, and uncles at family reunions and on the family houseboat. Her main goal in life was to make other people happy, as evidenced by her random acts of kindness, her love of delivering home baked goods to others, creating scrapbook memories, and taking

daily

selfies. She went above and beyond every holiday, but mostly Christmas and birthdays,

to add that extra special touch to make to everyone's day more memorable. As a Miami

native she loved being outside including going on her boat, water skiing, walking her dog in the park, countless trips to Disney world, eating delicious stone crabs every season, collecting seashells, and watching the sunsets in her happy place at Marco Island. She is survived by her husband Micheal, her daughters Shelley and Maddie, her

parents Susan and Robert Shelley, her brother Robert (Jud), and her furry friend Maverick. A celebration of her life will be held at St. Andrews's Episcopal Church, located at 14260 Old Cutler Road, Miami, Florida, 33158, on Saturday the 18 th of May,

2024 at 11 am with a reception to follow in the church hall. Her husband and daughters

ask that you wear something that makes you feel comfortable and bring you joy as that

is what she would want. The family has set up for donations to be collected to the Triple

Negative Breast Cancer Foundation in hopes that one day a cure could be found. The link to donate can be found below:

Saddened to hear of Jen's passing. I played baseball with her younger brother Jud and remember her being the scorekeeper for the team. Going out with the team on the shelleymatic and officiating our impromptu backyard hot box games. She was a fellow lover of stone crabs and all things dogs; often housesitting for our English Foxhound "Snoopy" (even though he jumped on her all the time and ate the wicker furniture when she brought him home). Such a kind and classy person who had stayed in my memory for almost 40 years. God bless her children and husband as he did her life. Ryan

Jennifer brought a beautiful smile to work. When I was no longer at MRI , Jennifer went out of her way to help me obtain future employment ,when I asked for assistance. I am so sorry for your family's loss. Sincerely, Gina Leary
