JOHN DAVID BROUSSARD

NOV 24, 1970 - JAN 22, 2025

John David Broussard was lost to us on Wednesday, January 22nd. A Lafayette, Louisiana native, John spent years in New Orleans and New York before settling in Miami, FL. He leaves behind his wife Meegan, mother Rebecca, two sisters Laura and Melanie and their families, his beloved dog Finnegan and the countless friends he made wherever he went.

He passed away of a heart attack at age 54. His life will be celebrated at an intimate family ceremony in Louisiana. To send him off, John would want all to toast life, family and good times with a beer or shot of tequila (or both!).

His family expresses their thanks for all the kind wishes and love that so many have expressed for John and for the support of the family during this difficult time. He will be missed very much by all!

I'm so sorry to hear about the loss of John. While I had not seen John in a while, I did get to visit with him in Miami when Justin lived down there and he was such a nice and entertaining man and I enjoyed the visit. I'll always remember him as a young boy and also as a successful sweet person. Just sorry he left his loved ones at such a young age.

John was my first babysitting job. He was a good human being and very kind to my two offspring. Miss him.
