With fond memories, we celebrated our shared passion for aerospace with John Parker, affectionately known as Chapter 11, whose vibrant spirit embodied cultural values, laughter, long walks, and countless Raven runs. @highlightYour dedicated advocacy brought vital awareness, enabling us to collaborate with CMB Governance to secure permission for our senior community to use motorised vehicles along the Miami Beach Boardwalk. 🙏 Rest in peace, dear Sir. Your light shines on ✨👤✨ xoxo🖋️

My friend, I'm going to miss you. I'm going to miss our conversations at the hangar while working on club airplanes, flying to airports to bring back stranded ones, beer nights at the Keg before our club board meetings, stories about your runs at the beach with Raven, the art of beekeeping and many many more memories. It was a privilege having you as a friend these past 30+ years. Godspeed. Bob Sivit

ISLAND PSALM JULY 1ST 1980

When Charlie is around  
 I shalt not want for eats.  
 He maketh me to cut  
 Down the trees on Fowl Cay.  
 He leadeth me under  
 The swirling waters,  
 We restoreth his airplane,  
 We leadeth it up the paths  
 That Leonard has cut;  
 For his sake we took  
 The long way.

Yea though I walk  
 Dragging 33 Tango behind me,  
 I will not try to do this again.  
 My wife doth not comfort me.  
 Surely goodness and 86 Yankee  
 Will follow me all the  
 Way back to Charlies  
 And I will probably  
 Dwell at his house forever.
