## In Loving Memory of

Martha Bowers Stockhausen April 1, 1929 – October 20, 2025

South Miami, Florida

Our mom was one of the most amazing and beautiful women we have ever known. She passed away peacefully in her home on October 20, 2025, at the age of 96, surrounded by her family.

Martha was born in Steubenville, Ohio, on April 1, 1929, to Florence and Arthur Bowers. As a young teenager, she moved with her family to Miami. She graduated from Gesu High School, where she met the love of her life, Frederick (“Sonny”) Stockhausen, whom she married in 1950. They shared 70 wonderful years together before his passing six years ago.

Martha was the proud mother of ten children—nine boys and one girl—and she raised us to be a big, close-knit family. She endured the heartbreaking loss of four sons—Frederick, John, Stephen, and Charles—yet remained strong, faithful, and full of grace. She is survived by her daughter Jane Nelson (Bruce), sons Edward (Nancy), Peter (Judith), Neal (Wendy), Paul, and Kevin. She adored her 18 grandchildren, 24 great-grandchildren, and one great-great-granddaughter. Mom never forgot a birthday and loved sending cards; she also created cherished Christmas ornaments and baby blankets for her grandchildren and great-grandchildren.

Mom was incredibly smart—well into her nineties, she could finish a novel in just a few days. She was an artist from a young age, gifted in cross-stitch and needlepoint. Later she began designing her own freestyle pieces featuring birds and animals. She was a founding member of the Biscayne Chapter of the Embroidery Guild, and her creativity brought joy to many.

She loved music and always had a song for every word and every occasion. Singing in church was one of her greatest joys, and many people told her how beautiful her voice was. She also had a wonderful sense of humor—witty, sharp, and just a little bit sarcastic, especially when meeting someone new.

Mom believed deeply in staying active and giving back. She was devoted to her church and spent many years volunteering at the Church of the Little Flower, St. Theresa Catholic School, and Christopher Columbus High School. She enjoyed being part of the Historical Society and gladly gave her time to many organizations throughout her life.

Faith was at the heart of who she was. A devoted Catholic, she attended Mass every Sunday and always stayed afterward to talk with her friends. She prayed the rosary daily, lifting each of her children in prayer. She believed that if she couldn't watch over us, God surely would.

Mom was strong—in body, mind, and spirit. She loved life, and she was loved by all who knew her. Her kindness, humor, and resilience touched countless lives. Her light shone brightly, and her legacy of love will live on in her family and friends.

We miss you, Mom. We love you. We know you are having a wonderful time in heaven, reunited with our family.

Frank and Beverly Watts send our deepest condolences for your lost. We had the honor of meeting this amazing lady when our son and her granddaughter got married. I remember her humorous personality at the wedding reception. She look around the room at the crowd and said" I'm responsible for all this"

We are a neighbor of this amazing family. Dear Ed, good morning. I've been meaning to reach out, but also wanted to give you and your family space during this tender time. We are so deeply sorry for the loss of your beloved mom. She meant so much to us—and to me personally—more than she may have ever realized. My husband knew both of your parents, having lived here for over 20 years, and I've had the privilege of knowing them for the past 14. Family means everything to me, and caring for others is something I hold close to my heart. I lost my grandmother many years ago, and I cared for her deeply. In so many ways, I saw her spirit reflected in your mom. Being there for your mom in any way I could was not just a joy, it was an honor. When I lost my own mother three years ago, your mom brought a quiet comfort to my aching heart. Her presence, her grace, and her gentle warmth helped fill a space that felt so empty. She had a way of making others feel seen and loved, and I will always carry that with me. You and your family have a rare and beautiful gift of togetherness which is something that's not often seen these days. The road ahead may feel heavy, but please know that we are here for you. We love you all, and we will always be the kind of neighbors you can count on. Your mom may no longer be physically present, but her light continues to shine in every life she touched. Her legacy is love, and it lives on in each one of you.
