Yvonne Wallace shared 6 photos and a video to the **Tribute Wall** album.

When we were young we had so much fun. Richard would make me laugh endlessly. I remember horse back riding together, hiring him to work as my photography assistant, having him modeling for me in front of the camera for photography school. He was such a good looking man. All the things we did together growing up will be the memories I hold dear. My brother you will be missed. Love, Yvonne.
