Bonnie Jean Hutton

AUG 28, 1952 - APR 18, 2026

Bonnie Jean Hutton passed away April 18, 2026. She was born in Normal, Illinois, on August 28th 1952. Bonnie lived in Morris, Illinois where she graduated from Morris Community High School where she was a straight A student and part of the National Honor Society and a National Merit Scholarship finalist. Bonnie attended college at Southern Illinois University, Carbondale, and graduated with a Bachelor of Science (BS) in Mathematics.

Bonnie was married on January 18th 1992 to Tom Hutton.

Bonnie worked at Florida Power and Light for 26 years in various Information Technology positions including training, software development and supervising the group that supported the internal email system.

Bonnie is a proud member of the Miami Villagers, a nonprofit organization dedicated to the preservation and restoration of historic sites.

Bonnie volunteered for 10 years as a mentor with The Women of Tomorrow® to inspire, motivate and empower at-risk young women at Felix Varela Senior High School.

Bonnie was also very talented and passionate about painting and availed herself to art classes at Fairchild Tropical Botanic Gardens where she met many wonderful fellow artists.

Although Bonnie did not attend Miami Senior High School, she became very close to alumni from Tom's 1964 graduation class and along with Tom developed and maintained the class alumni web pages including a memorial page. Bonnie knows more Miami High alumni than Tom does.

She is survived by Husband Tom and all her wonderful friends.

What started off as neighbors became a loving friendship. Bonnie was also our undercover super hero dropping everything to be there when we were having any type of emergency. I will miss the thoughtful deliveries of avocados and of pecans any time she went to Georgia. I will miss the tradition of Christmas breakfast. But the memories I cherish, and what I will miss the most, is our time hanging out on our beach by the lake with the kids. Moving forward our beach will be named Bonnie Beach. We are so grateful to have known you and love you Bonnie. Miss you so much Stephanie, Josh, Rose and Dash

I sent this out to some by email, I wanted to post it here. With a very heavy heart and wet eyes, I want you to know the love of my life, my whole life, my best friend, partner, and wife passed away Saturday, April 18 at 7:00 PM. In addition to this service, at a later date, I plan to have a celebration of life where we can have a wonderful happy celebration of the many contributions Bonnie made to our lives that brought us happiness. I want to pick a date that we all will be able to attend sometime in a month or two. I will announce this at a later date

Tom, I was so deeply saddened to hear of your loss. Please know that my heart is with you during this very difficult time. Bonnie was truly a special person — kind, patient, and always willing to help. I will always be grateful for the times she helped me through technical difficulties without hesitation, never making it feel like a burden. That generosity and warmth meant more than I can say. She was taken far too soon, and her absence will be deeply felt by so many whose lives she touched. Tom, I hope you can find comfort in the memories you shared — in her kindness, her support, and the difference she made in the lives of others. Thinking of you and sending my deepest sympathy.
