Albert "Sonny" Emmanuel Francis born in St. Thomas April 1, 1954 went home February 10 2021. Today we lost a Great Father to Albert (Sonny Boy) Jr., Antwan, Andre and the late Anisia

Francis, A Loving grandfather to Josiah, Jakiya and Tre'lin Francis, a Wonderful brother to Gwen Barker, Lewis Francis, and the late Alvin Francis and Earl Evans, A great son to the late

Bobby and Samuel Francis and a Loving Husband to the late Rhoda "Cookie" Francis. Sonny is

the type of person that's always willing to help ,the type that will literally give the shirt off his

back .He Love his kids more than anything in the world. He always kept the door open to make

sure his kids had a roof over their head and anyone else he loved. I'm truly proud to say Sonny

is a man who I will always look up too and always wanted to be like. A man who would always

check on his brothers and sister. To say he was a great person is an understatement. He could

be mad at you and still show his love. There's never no dull moment with him rather it's playing

dominoes or cards taking a trip to ST. Thomas and going Beach hopping all day he was the best story teller I ever heard and he had stories for days. A real standup guy and

everything he do, he do it with love. Today we lost a truly great man YOU WILL NEVER BE FORGOTTEN ONLY DEEPLY MISSED Albert "Sonny" Emmanuel Francis WE LOVE YOU FOREVER.
