

## Delphene Marie Denmark

June 30, 1942 - July 27, 2018

Delphene would like to let you know that her work here is done. She received a call, an offer she could not refuse. She is returning home, in a way, and was ready for her assignment. It comes with a huge sign-on bonus; a peace, tranquility and spiritual envelopment she has long awaited and a reunion with family and friends she has not seen in a long time. Her new mission takes her to a heavenly place where she will be socializing, dancing, sitting in her grotto and reading to her heart's content. Music, laughter, love and Jesus are guaranteed. Food is delicious and she'll never gain an ounce all while her soul is continually filled with the Holy Spirit. She left detailed instructions for her loved ones to continue her mission here as hers has now been completed.

Delphene Marie Denmark, 76, of Miami, FL., went to heaven on July 27, 2018.

She was born in Herrin, IL., June 30<sup>th</sup> 1942, to Alfred and Dora Rimbart. Delphene graduated

from Hialeah HS where she was a rock star cheerleader. She proudly worked as an Executive

Assistant in the Nursing Administration Department at South Miami Hospital until her retirement.

Delphene was a member of the Women's Guild at St. Kevin's, St. Timothy's and lastly Our Lady

of Lourdes. She was also a devoted volunteer at Zoo Miami and loved her Fossil Club.

She is survived by her sister Darlene Louise Levasseur, sons: Richard Major Denmark and David

Paul Denmark, grandchildren: Rose, Michael and Robert, great-grandson: John Henry,

her

sisters of the heart and all members of her extended and loving family. Delphene touched countless individuals with her infectious love of life and Jesus. She was a devoted daughter, a

lively teenager, a loving wife, a comforting mother, a dedicated CCD teacher, a true and loyal

friend, and spoiling grandmother (and that's the Truth!).

Delphene would not want you to cry today because she is gone; instead be happy that she was

here, and touched the hearts of so many.

"The best and most beautiful things in the world cannot be seen, not touched. But are felt in

the heart" – Helen Keller. Although Delphene will be missed, she will be watching over us all

through the beauty of the evening sunset, or the earliest of spring flowers, or amongst the flitting and fluttering of colorful butterflies.

A Memorial Mass will be held 5pm, August 9<sup>th</sup> at Our Lady of Lourdes, 11291 SW 142 Ave,

Miami, Fl. A celebration of her life will immediately follow at the Elks Lodge 10301 SW 72<sup>nd</sup> St,

Miami, Fl.

In lieu of flowers, please donate to Our Lady of Lourdes Catholic Church "In Memory..."

“ Sincere condolences to the family of my dear high school friend, Delphene Rimbert. Delphene was one of the first girls who visited me at home after I moved to Hialeah from Pennsylvania. We were close friends during our time at Hialeah High, and I remember her as being a beautiful, intelligent, very loving girl. I'm having trouble sharing photos of the two of us together -- if they don't show up on this website, please email me at [dmdv@scarlet.be](mailto:dmdv@scarlet.be) and I will send you the pictures via email.

Love and tears,

“ Delphene, although I never got the opportunity to meet you in person but our messages to one another over the course of the last three years have truly been a treasure to me. Your words and prayers to my sons and myself, meant the world to me and always kept me holding faith in others. True strangers to instant friends and one I will miss dearly. I know you be the angel watching over your family continuously. The love you held for your children and grandchildren was endearing and strong. I felt connected through that same type of love I hold for my own sons. Your prayers for us always held a special place in my heart and gave me strength on days I didn't think I had any left. You were a light that burned bright for not just me but many around you. May the light you left burning in all our hearts continue forevermore.

To the Denmark family, My deepest condolences to all of you. Thank you for sharing such an incredible lady with me. I hold the highest respect for each and every one of you. She was a true angel in life and will continue to be after. Delphene and I grew a friendship that was priceless to me. I will continue to hold all of you in our prayers and hope that the memories you hold dear in your hearts with Delphene will continue to give you strength during this time. May God watch over all of you and hold you in his heart. I know Delphene will. Much Love to All of You~

“ Delphene was a sweet lady who generously donated money on several occasions to help buy treats for the Zoo Miami keepers. She was a gentle and caring person. We will miss her. Carole Cholasta, fellow volunteer
