

Marjorie Maria Mundell

April 5, 1922 - March 21, 2021

A LIFE WELL LIVED

Marjorie Maria Mundell, affectionately known as Sissy, entered this world on April 5, 1922 in Kingston, Jamaica. She was the second of five children born to Elfreda and George Tai. Her siblings, Cleveland, Lillas and Ronald, whom she loved dearly, predeceased her. She is survived by her beloved and devoted sister, Sylvia.

Marjorie met and fell in love with Roderick Mundell and their marriage produced seven loving and caring children: Gary, Beverley, Alrie, Dave, Aldene, Kharen and Richard; nine grandchildren; and nine great-grandchildren. An important event in her life was when she accepted the Seventh-Day-Adventist faith and became a loyal member of North Street Seventh Day Adventist Church in Kingston.

Marjorie was the epitomé of motherhood, demonstrated by her love and devotion to her children, grands, nieces and nephews, as well as the many other children she treated as her own. She was a loving and devoted wife to Roderick and a supportive partner in their successful business enterprise.

Marjorie was a wonderful home-maker with excellent culinary skills. She had a keen eye for beautiful curios and over the years acquired an impressive collection, which she displayed with pride.

Marjorie and Roderick migrated to the United States in 1979 and continued to live exemplary lives. She became a faithful member of Miami Temple and Kendall Seventh-Day-Adventist Churches, and served as deaconess at the latter.

After almost 99 years of a wonderful life, and now a widow, Marjorie passed away peacefully at home on March 21, 2021, surrounded by her loving and devoted family. She now awaits the return of her Lord and Savior.

She will be greatly missed by family and friends. May she rest in peace.

“ I walked into a garage and the smell immediately brought me back to playing in grandma and grandpa's garage when we were younger (it's a good smell!) I remember the mustard colored carpet and lots of fun toys. I have a good memory of erin, Kathy and I hanging out. I loved the smell of her house, while she cooked so many AMAZING meals! Especially Akai and salt fish with Bami and fried plantains. The table was filled with good food, great company and so much laughter! I also remember eating a scotch bonnet pepper... silly me! Thankfully grandma knew to cure that pain with sugar! She was so warm and loving, always made sure we had what we needed when we came to visit! Love you grandma! -Dana

“ I will always remember our family trips down to Miami when we were kids. Grandma always welcomed us with delicious food and her loving hugs! I will always remember her laugh. It was the softest, sweetest laugh.

Cade loved spending time with her and I know Frankie would've loved her so much! She will be so greatly missed and will forever be in our hearts. Love you Grandma!! All our love- Lexi (Granddaughter) Cade & Frankie (Great grandchildren)
